What is the Sentral Parent Portal?

The Sentral Parent Portal allows you to be kept fully up to date your child's education.

There are two platforms for the Sentral Parent Portal:

1. Web Platform: https://sentral.langwarrinparkps.vic.edu.au/portal2/#!/login
2. Sentral Parent App: Can be downloaded from App Store or Google Play Store

What are the capabilities of the Sentral Parent Portal?

The Sentral Parent Portal will allow you to engage with different aspects of your child's education. Within the portal you will be able to:

1. Book Parent-Teacher interviews
2. Manage your child's attendance- access attendance data and provide explanations for any absences.
3. Access your child's archived academic reports (only reports written in Sentral)
4. Receive notification pushes- whole school, year level and grade announcements
5. Communicate directly with your child's teachers (messaging)
6. Payments for school events- excursions, incursions and camps

PLEASE NOTE: THESE FEATURES WILL BE PHASED IN OVER TIME

How do I register to the Sentral Parent Portal?

To register for the Sentral Parent Portal:

1. A registration letter will be sent home which steps out how to register your account.
2. Please follow the instructions carefully when creating your account.
3. The registration must be done using Google Chrome or Safari
4. Do not use the Sentral Parent App to register your account
5. Multiple parents can use the same family key to register separate accounts
6. The Sentral Parent App is in the early stages of development. There are some technical issues in being able to register a parent account with the app. This is in the process of being resolved.

First Step with the Sentral Parent Portal

Our first step using the Sentral Parent Portal will be for parents to make their bookings for our Parent-Teacher interviews in Week 8 and to provide explanations for student absences.

Over time we will stagger the introduction of the other functions such as:

1. Managing student absences
2. Accessing your child's semester school reports.
3. Messaging your child's teachers
4. Making payments for school events
