

ACCESS ONLINE BOOKS FOR FREE

Dear Parents and Caregivers ,
Did you know that you can join the Frankston City Library for FREE. You can join online today and instantly access children's & adults storybooks, audio books, ebooks, magazines, music and newspapers.

Already a member but need an online user name and password, call the library on 9784 1020 – they are there to support and encourage this service.

At https://library.frankston.vic.gov.au/eLibrary/Digital_Collection/eBooks_and_eAudiobooks YOU WILL FIND:

STORY BOX

We highly recommend STORY Box - Imagine the best stories being read aloud to you by our favourite Australia actors that your kids will recognise – well that's Story Box Library!

A wonderful way to get kids excited about reading, inspire their imaginations and let them have fun with stories, improving their language and literacy skills along the way.

With an ever-growing library, suitable for preschool and primary aged children, it really is Storytime, Anytime! Remember Prep-Year 2 can log books read aloud towards their Premiers' Reading Challenge!

BORROW BOX

Download this app and nominate Frankston City Library to borrow up to 10 eBooks and 10 eAudiobooks. Loans are for 28 days

1. Select the Borrow Box app and install on your device
2. Type in Frankston City Libraries
3. Activate Library Membership with User ID and PIN
4. Choose either eBooks or eAudiobooks
5. On making a selection, choose Borrow or Reserve
6. Download your selected eBook or eAudiobook and you are ready to enjoy!
7. Remember this is for over 18 year olds so as a parent you will need to supervise the content of resources selected to borrow. There are easy categories to select such as Children and Young Adult. There will be something for the whole family.

ULTIMATE ACCESSIBILITY WITH BORROWBOX

Enables everyone to experience the joys of books and storytelling.

Download

STORIES FOR EVERYONE

DYSLEXIC USERS

A new special font is available on iOS & Android eBook reader that makes text more readable for dyslexic users.

ADJUSTABLE PLAYER SPEED

Everyone listens differently, and with the new playback-speed options you can enjoy eAudiobooks at your own pace.

VISUALLY IMPAIRED USERS

The entire app is optimised to work with Apple's VoiceOver functionality. BorrowBox utilises the built-in screen reader to provide meaningful auditory descriptions of each on-screen element. This also includes an optimised eBook experience for the visually impaired.
