## **Victorian Premiers' Reading Challenge**

The Victorian Premiers' Reading Challenge commences from the first day of Term 2 and Langwarrin Park Primary School is excited to be participating. All LPPS students are offered participation in the Challenge and will receive a username and password from their teacher this week.

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by the end of Week 6 of Term 3, Friday 29th August 2025.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 6 are challenged to read 15 books. Children are encouraged to continue reading through the entire PRC as there is no limit on the number of books you reach so go for it!! We will provide regular progress updates at our Assemblies and in The Link. All children that meet the Challenge will receive a certificate of achievement signed by the Victorian Premier.

Our library holds around 3,000 books that are part of the Premier's Reading Challenge indicated with a sticker on the spine. You can search our Library from home at [library.langwarrinparkps.vic.edu.au](http://library.langwarrinparkps.vic.edu.au) and go to the Quick lists to find your child's level. We also encourage you to visit the local Frankston library online to borrow books. Check your books at home because chances are they may be on the list too.

There is also your '**PRC How to Guide**', which explains how to log in and get started (also located on our School Website Library page). To read the Premier's letter to parents, view the booklists and for more information about the Victorian Premiers' Reading Challenge, visit: <https://www.vic.gov.au/premiers-reading-challenge>

Please contact me via the school email should you have any questions, and I will be happy to assist.
